- Other: pasta, mac & cheese, rice, jelly, nuts, granola bars

Serving Today

Reader Pat Breinin
Euch. Minister Sharon DeVivo
Zoom Operator Sabina Gaston

Anthem for October 18, 2026

The Legacy of Christ

Music: Robert J. Powell (1932-2025)

Text: Beverly Easterling

*The legacy of Christ is Faith that reaches past despair
and finds the strength to grow and praise,
with Christ our burdens share.*

*The legacy of Christ is Hope, for all the heart can dream.
It lifts us to our better self to where Christ's glories stream.*

*The legacy of Christ is Love, that shines for all to see.
Within true hearts, Christ's spirit dwells, Love spent eternally.*

*The legacy of Christ is yours when you invite Him in,
to be your soul's most honored guest, and live in grace with Him.
Faith, Hope and Love are ours, but the greatest of these is Love.*

Robert J. Powell was an American composer, organist, and choir director born in Benoit, Mississippi. He earned a Bachelor of Music degree from Louisiana State University and studied with Alec Wyton at Union Theological Seminary in New York. He was also Wyton's assistant at The Episcopal Cathedral of Saint John the Divine.

His conservative, neo-Romantic style stems from his practical approach to composition. His publications appear in The Hymnal 1982 as well as in the catalogs of most of the significant American publishers of church music. Powell was an active member of the Association of Anglican Musicians and a Fellow of the American Guild of Organists.
